Transfer payments

The following statement presents the total amount spent in 2000-2001 for each transfer payment. A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received. This information is displayed by program under each ministry.

This statement also provides, for each class of recipients, a detailed listing, where applicable, of the payments (i.e. cash payments and accrued charges) aggregating to $100,000 or over to a recipient (one individual or organization). This detail shows the name and location of the recipient, together with the total amount paid. In cases where certain organizations have more than one place of business, their Head Office location was used for reporting purposes. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Section 8 of Volume II (Part II) of the 2000-2001 Public Accounts of Canada presents the total amount spent as transfer payments in the current fiscal year by department and agency under each ministry.

Paiements de transfert

L'état suivant présente le montant total dépensé en 2000-2001 pour chaque paiement de transfert. Un paiement de transfert est une subvention, une contribution ou un autre paiement effectué par le gouvernement à l'égard duquel il ne reçoit ni produit, ni service en contrepartie. Ces renseignements sont présentés par programme sous chaque portefeuille ministériel.

L'état présente également, pour chaque catégorie de bénéficiaires, une liste détaillée, s'il y a lieu, des versements (c.-à-d. les paiements en espèces et les charges à payer) totalisant 100 000 $ ou plus à un bénéficiaire (un particulier ou une organisation). Le détail comprend le nom et le lieu du bénéficiaire, ainsi que le montant total versé. Pour les organisations ayant plus d'une place d'affaires, la ville de leur siège social a été utilisée pour fins de compte rendu. Les montants présentés comprennent les dépenses découlant d'opérations internes et externes. Les dépenses découlant d'opérations externes impliquent le gouvernement et les tiers, tandis que les dépenses découlant d'opérations internes impliquent des organisations faisant partie du périmètre comptable du gouvernement du Canada.

La section 8 du volume II (partie II) des Comptes publics du Canada de 2000-2001 présente le montant total dépensé en paiements de transfert au cours de l'exercice par ministère et organisme sous chaque portefeuille ministériel.

The legislation provides for annual escalation of the allowance in July of every year in accordance with increases in the Consumer Price Index in excess of 3 percent.

Canada Health and Social Transfer (CHST) is a block-fund transfer to provinces and territories to provide financial support for the provision of health, post-secondary education, social assistance and social services. The contributions are a combination of cash and tax point transfers. The tax contribution of $16.0 billion is the current value of a legislatively prescribed number of tax points (and the Fiscal Equalization associated with them). Cash payments of $17.0 billion include base cash of $13.5 billion , the CHST Supplement Trust 2000 of $2.5 billion announced in budget 2000 and the Medical Equipment Trust of $1 billion announced following the September 11, 2000 First Minister's Meeting. The equalization associated with the tax transfer is paid under the Fiscal Equalization Program administered by the Department of Finance. The amount of these tax and cash transfers in 2000-2001 is shown in the above table.

The cash portion of the contributions is also subject to various provisions of the Federal-Provincial Fiscal Arrangements Act and the Canada Health Act. In order that a full cash contribution may be made, provinces must satisfy program criteria respecting public administration, comprehensiveness, universality, portability and accessibility throughout the fiscal year, and must agree to provide the Minister of Health with required information and must give recognition to the contributions and payments made by Canada under the Canada Health Act. Also, the Federal-Provincial Fiscal Arrangements Act requires provinces to provide social assistance without any minimum residency requirements on social assistance applicants. Under both Acts, a process for deductions from cash contributions is described for violations of the program criteria.

The Canada Health Act additionally requires that the provinces must not permit extra-billing by a medical practitioner or a dentist (for surgical dental services requiring hospitalization) nor user charges. Should a province fail to comply with these latter conditions, the Act provides for automatic deductions from cash contributions. Nova Scotia had deductions totalling $57,804 during 2000-2001 for extra-billing. Deductions for extra-billing are administered by the Department of Health Canada.

Le transfert canadien en matière de santé et de programmes sociaux (TCSPS) est un transfert global aux provinces et aux territoires afin de les aider à financer les soins de santé, l'enseignement postsecondaire, l'assistance sociale et les services sociaux. Il prend la forme de transferts en espèces et de points d'impôt. La contribution d'impôt de 16,0 milliards de dollars est la valeur actuelle de points relatifs à l'impôt (et la péréquation fiscale qui y est associée). Les paiements en espèces de 17,0 milliards de dollars représentent la somme des montants de base du TCSPS de 13,5 milliards de dollars incluant la Fiducie du supplément du TCSPS 2000 annoncée dans le budget 2000 de 2,5 milliards de dollars et la Fiducie pour le financement des appareils médicaux de 1 milliard de dollars annoncé après la Réunion des premiers ministres du 11 septembre 2000. La péréquation associée aux transferts fiscaux est payée en vertu du Programme de péréquation fiscale administré par le ministère des Finances. Les montants des transferts pécuniers et fiscaux en 2000-2001 sont présentés dans le tableau ci-dessus.

La portion des contributions pécuniaires est assujettie aux provisions de la Loi canadienne sur la santé ainsi que de la Loi sur les arrangements fiscaux entre le gouvernement fédéral et les provinces. Pour que l'on puisse payer la pleine contribution pécuniaire, les provinces doivent satisfaire les critères des programmes de la gestion publique, d'intégralité, d'universalité, de transférabilité et d'accessibilité pendant toute l'année fiscale, et doivent accepter de fournir l'information requise par le ministre de la Santé et de reconnaître également des contributions et montants versés par le Canada en vertu de la Loi canadienne sur la santé. De plus, la Loi sur les arrangements fiscaux entre le gouvernement fédéral et les provinces exige les provinces d'offrir des services d'assistance sociale sans exiger de période de résidence minimale. Un processus pour toute déduction d'une contribution pécuniaire est décrit dans les deux lois pour toute violation des conditions d'octroi.

La Loi canadienne sur la santé exige en plus que les provinces ne permettent pas la surfacturation par un médecin ou par un dentiste (pour les services dentaires exigeant l'hospitalisation) ni de frais modérateurs. Si une province ne se conforme pas à ces conditions, des retenues seront effectuées automatiquement des contributions en vertu de la Loi. En 2000-2001, des retenues de 57 804 $ ont été effectuées des contributions versées à Nouvelle-Écosse pour la surfacturation. Les retenues provenant de la surfacturation sont administrées par Santé Canada.

A full or partial basic Old Age Security pension is payable at age 65 or later to everyone who has met certain residence requirements.

A Guaranteed Income Supplement is an additional amount payable to pensioners who have little or no other income apart from the Old Age Security pension. Entitlement is normally based on income in the preceding calendar year, computed in accordance with the Income Tax Act. Where a married couple is concerned, each is considered to have one half of their combined income.

Spouse's Allowance is payable to the spouse of a pensioner if the spouse is aged 60 to 64 and to widows and widowers aged 60 to 64. All recipients must meet certain residence requirements. Entitlement is based on income.

All benefits under the Old Age Security program are subject to change in January, April, July and October of each year based on increases in the Consumer Price Index.

The benefits in effect as at April 1, 2000 were as follows:

	$

Une pleine pension de sécurité de la vieillesse ou une pension partielle est payable à toute personne ayant atteint l'âge de 65 ans ou plus et satisfaisant certaines normes de résidence.

Un supplément de revenu garanti est un montant additionnel payé aux retraités ayant peu ou aucun autre revenu que la pension de sécurité de la vieillesse. L'admissibilité est normalement fondée sur le revenu de l'année civile antérieure et calculée en accord avec la Loi de l'impôt sur le revenu. Là où un couple marié est concerné, chacun est considéré afin d'avoir une demie de leur revenu combiné.

L'allocation au conjoint est payable au conjoint du retraité si le conjoint est entre 60 et 64 ans et aux veufs et veuves âgés entre 60 et 64 ans. Les bénéficiaires doivent satisfaire certaines normes de résidence. L'admissibilité est fondée sur le revenu.

Les prestations en vertu du programme de sécurité de la vieillesse peuvent changer en janvier, avril, juillet et octobre de chaque année conformément aux augmentations de l'indice des prix à la consommation.

À compter du 1er avril 2000, les prestations en vigueur étaient comme suit :

Prestations mensuelles	$
Versements de base PSV	420,34
Versement maximal SRG	
Célibataire ou personne mariée dont le conjoint ne reçoit pas de PSV ou AAC	499,55
Couple marié, les deux retraités — Chacun	325,39
Allocation maximale au conjoint	745,73
Bénéficiaires veufs	823,29

En mars 2001, on comptait 3 828 mille retraités qui recevaient des paiements de sécurité de la vieillesse, de ce nombre 1 371 mille ou 35,82 pourcent recevaient aussi un supplément de revenu garanti; la moyenne du supplément payé était de 324,91 $. En plus, 95 mille conjoints des retraités recevaient des allocations au conjoint. Une moyenne de 360,41 $ était payée au conjoint.
